Of Special Interest This Week

+ FBIS was notified that a copy of the Chernenko election speech, which appeared in the 25 February USSR DAILY REPORT, was passed to the President for his reading. Secretary Shultz had suggested to PDB briefers that the President read the item and both Mr. McFarlane and Vice President Bush included it in materials passed to the President.

+ In order to eliminate duplicate translations, FBIS has acted in concert with the Air Force Foreign Translation Division (FTD) to install a terminal with a modem to allow FBIS access to CIRC, FTD's open-source S&T database. FBIS has also started notifying the Batelle Memorial Institute, which does FTD's journal exploitation, of its selections.
